Description

Located on the east side of North Main Street, this house is a two story, five bay balloon framed building with a central cross gable. Its main entrance is located in the center bay and is protected by a three bay porch. Windows have two over two pane sash with slightly pointed architraves. The building is covered with asbestos shingles. Standing seam sheet metal covers the roof and chimneys are located inside the end walls.

This is a substantial dwelling from the late 19th century, reflecting Keedysville's prosperity in the second half of the 19th century.
